Property Description

Discover elevated coastal living at Almina Residences, an exclusive collection of just 60 contemporary homes on the Costa del Sol. Choose from ground-floor apartments with private gardens, spacious first-floor residences, elegant duplexes with terraces and solariums, and luxurious penthouses boasting expansive terraces and breathtaking panoramic views. Designed by renowned architect Juan Antonio Fernández, the architecture seamlessly blends modern sophistication with the surrounding natural landscape, creating bright, open interiors with high-quality finishes in thoughtfully designed 2- and 3-bedroom layouts.

This private community is crafted to connect residents with nature while offering exceptional comfort and convenience. Landscaped green areas and walkable pathways flow harmoniously between private and shared spaces, while premium amenities include a spa with hammam, sauna, and plunge pool, a fully equipped gym and Pilates studio, a cinema and games room, a bright coworking space, and an on-site restaurant. All residences include private parking and storage, with optional interior packages available—delivering contemporary elegance and a peaceful retreat just moments from everything the Costa del Sol has to offer.
